

LADIES RECREATIONAL SOCCER CLUB

TEAM APPLICATION - OUTDOOR SOCCER SUMMER 2019

Our Club, depending on membership, runs a three (3) Division format which regulates applications to twenty-four (24) teams. Each division carries a maximum of eight (8) teams. The Divisions are set as 1, 2 and 3. One (1) being the more competitive division. Our season starts in early May and ends at the end of August. We run a MANDATORY League Cup Tournament at the end of the season. All the games are played on Monday nights including long week-ends. Returning teams are afforded their places as set out in the previous year's AGM.

If there are any remaining places open for new teams they are to attend our AGM in March and bring in a team application and state their case for membership.

New teams need to secure their own home field via contact through their City or Town Parks and Rec. Dept. Proof of this will be needed at the March AGM. They will also need to bring \$750.00, \$300.00 of which is non-refundable, of the Club fees. The remaining fees, to be determined at the meeting, plus a League Bond of \$150.00 will be paid at the April meeting. All new teams must also pay a onetime fee of \$100.00. Eleven (11) Player Registration Forms need to be submitted at the March General Meeting.

New teams are placed in the Second Division or as per our Constitution in any unfilled Division. Referee fees are paid by the HOME Team. This usually consists of eight (8) games and the fee is \$60.00 per game.

We have a strict NO COMPETITIVE PLAYERS permitted policy.

All AGM and General Meetings are MANDATORY. Fines are levied for absenteeism's. Rules and Regulations as per FIFA, District Associations and Club Policies.
